

Call for Proceedings

February 18, 2022

The *Proceedings of the New York State Communication Association* publishes the Proceedings for the Convention of the New York State Communication Association. Papers accepted for publication appear in the issue associated with the Convention at which they were presented. All papers, including undergraduate student papers, are blind peer-reviewed.

Research papers presented at the recent 79th Annual Conference (2021) of the New York State Communication Association – *Changing the Conversation/ Conversations about Change* -- are being accepted for blind peer review for the conference Proceedings beginning immediately. We urge you to contribute your work. Submissions will be accepted until **June 1, 2022**.

We also encourage those who presented on the GIFTS (Great Ideas for Teaching Students) panel to submit their work as well.

Submission Guidelines for Research Papers

Please make sure that the length of your paper does not exceed 25 double-spaced pages (not including references, tables, graphs, figures). The paper must follow APA format and please include a running head. Please also indicate, on the title page, the year (2021) in which your paper was presented.

Submission Guidelines for GIFTS

Please make sure that the length of your submission does not exceed 2 pages (single-spaced or double-spaced is acceptable). Remember that the audience for your GIFT is the instructor who will be employing this in her/his course. Please be sure to include (a) the title of your GIFT, (b) the purpose of your GIFT, (c) the link between your GIFT and a particular course or a particular series of courses, (d) the GIFT itself, and (e) a list of at least three additional references so that the instructor can engage in further research about your GIFT.

Submission Logistics

Please submit your research paper and/or GIFT through the following site:

[Roger Williams University - Log in \(bepress.com\)](http://www.bepress.com/rogerwilliamsuniversity)

If you have never been on the site before, you will need to first create a free account. If you already have an account, you will be able to login and submit your paper in either Word or PDF format.

If you have any questions about the submission process, please contact Salvatore J. Fallica, Editor of the Proceedings (sjf1@nyu.edu).

We very much look forward to receiving your work.

Sincerely Yours,

Salvatore J. Fallica, Ph.D.(New York University)
Editor of NYSCA Proceedings
